

# A Timeless CHEF

A Timless CHEF is a Story about me, it's partly a cookbook and autobiografie. it shows how the culinarie world changed my life and view of the world learning how to be more respectfull towards Chefs, Waiters and more it learend me how tings can look as just a simple burger has atleast a backstory it the bread gets made by the farmer the cows start as cafs and thats just an exaple. hopefully it shows you that when you order you're buger next time it's more than just that don't forget the smallest things have a backstory

There are also more than one recepie from when i learend you will get to travel with me back in time and get the exact recepies i have from then.
